

# Meet Paytient

Paytient is an employee benefit that makes it easier for your members to **pay for and experience healthcare**. It empowers them to pay for the care they need, when they need it, and repay over time — with no interest and no fees. The care happens now. The payments happen later. People get healthier, faster.

**No Interest.  
No Mbr. Fees.  
Ever.**

**Credit check not  
required**

**Flexible repayment  
schedule**

**6000+**
